### **Self-evaluation**

|                                   | <b>+ (good) or<br/>– (needs work)</b> | <b>Reason</b> |
|-----------------------------------|---------------------------------------|---------------|
| <b>Reading my book</b>            |                                       |               |
| <b>Finding clues</b>              |                                       |               |
| <b>Making inferences</b>          |                                       |               |
| <b>Working in the large group</b> |                                       |               |
| <b>Working with my partner</b>    |                                       |               |
| <b>Working by myself</b>          |                                       |               |
| <b>Overall rating</b>             |                                       |               |
